

# SPARTANS iREADY

## SUMMER CHALLENGER INFORMATION

### & OPEN LAB PERMISSION SLIP

It is our goal that all rising Spartan 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> graders log 405 minutes working in iReady this summer. Students may work in reading, math or both. All minutes must be recorded on the Spartan iReady Summer Challenge log and logs should be submitted to the student's 2017-2018 Language Arts teacher during the 1<sup>st</sup> week of school.

All students who do RISE to the challenge will be invited to a beginning of the year Spartan Kickoff Breakfast and will also be entered to win an Amazon Kindle Fire.

For students who are not able to access iReady at home, we will have iReady Open Lab on campus beginning June 5<sup>th</sup> and running through June 21<sup>st</sup> from 9:30 am – 1:30 pm. Students do not have to attend every day, but **must** bring the permission slip below with them their first day of attendance. Students also **must** remain on campus for the entire time that day. Students and parents will both need to sign the permission slip and parents should indicate the way in which their student will be going home (car rider or walker).
